

## Index:

Portray, still lives, landscapes.... I started to create „maps“, actually with a stadion. I build some symbols of my paintings other paintings, and i put them into it. I have also others from end of 2024 and some from 2025. I like to make portays with the feeling from the past and i like to put some own individual interpretations on it.

About Technik: Oil on tempera or acrylic backgrounds, organic pigments on canvas or on \* mixed tissue, polyestersilk and nettle

- 1 Gandalf the green / 70 x 50
- 2 Agent 01 B / 80 x 70
